Proclamation

TO THE NOBILITY
OF AL BEDOO TEMPLE

Greetings:

The sun of Allah rides majestically in
the High Heavens smiling his benefi-
cence upon all the Faithful and giving
the Omens that the time is nigh for a
Pilgrimage to the Sacred City of Mecca.

Therefore, it is decreed that all the
Untried and Unregenerated Neophytes
be invited to join the Caravan now form-
ing to Cross the Burning Sands to the
Oasis of Billings, Montana, on the 20th
day of May, 1950.

Let us eat Salt together and drink
Zem Zem — let us Feast and Frolic a day.
No loyal follower of the True Prophet
should absent himself from the hallowed
precincts of our goodly Temple on this
Festive Day.

DAVID MAGOWAN,
Potentate

Attest:

STEWART NORTH, Recorder

MEET THE POTENTATE

Noble David Magowan, our new Illustrious Potentate, was born in Newburyport, Mass., November 21, 1895, one of 15 children of David and Elizabeth Magowan. By the time David (same person as Dave) was 17 years old, he had mastered the art of reading, and his eye fell upon Horace Greeley's admonition to the youth of that day to "Go west, young man." Acting with the same speed for which he has since become famous, he immediately left Newburyport and started his western trek, finally arriving in British Columbia, where he pursued work in the civil engineering field. It was in British Columbia that he first heard of Montana, and in 1913 he journeyed to this fair realm, stopping right here in Billings and going to work for the Great Western Sugar company.

DAVID MAGOWAN
ILLUSTRIOUS POTENTATE

Dave is a veteran of World War I, having served in Siberia. He was discharged from the service at Fort Mason, Presidio of San Francisco on October 22, 1919. Continuing his interest in the affairs of his country, he served during World War II as a member of the ex-service reemployment board for Yellowstone county.

Upon being discharged from the Army in 1919, Dave returned temporarily to his native town of Newburyport, where he received his three Blue lodge degrees in November 1919, December 1919 and January 1920, respectively, in St. John's Lodge, which received its charter in 1766 and is now 184 years old. (That is St. John's Lodge which is 184 years old—not our Potentate.) Dave is a life member of that lodge.

Returning to Billings in January 1920, he purchased an interest in the Eureka Bottling Works, now known as the Coca Cola Bottling company, of which corporation he is president. In 1923 he was married to Miss Orillia La Courciere. They reside at 3211 Spruce street, Billings.

Besides his devotion to Masonic matters, Dave is an ardent sports fan, evidenced by his ownership of stock in the famous Billings Mustangs baseball organization. Hardly a sports event in Billings does not number him amongst the customers.

Potentate Magowan is a charter member of Al Bedoo temple, and was one of the first three to apply

for membership, in the spring of 1921, at which time he received his Scottish Rite degrees in Billings Consistory. He was a member of the original Arab Patrol, in which he served from 1922 until 1932, when he transferred to the Wrecking Crew, which he served until 1935, when he was elected president of the Uniformed Bodies, which office he held until his election as Potentate of Al Bedoo temple. He was installed as Illustrious Potentate on January 19, 1950.

Potentate Magowan is also a member of the Billings Commercial club, Eagles, Veterans of Foreign Wars, American Legion, and United Commercial Travelers. He is a Past Grand Counselor of the latter organization.

POTENTATE'S MESSAGE

GREETINGS, NOBLES:

Our Imperial Potentate favored us with a visit, that without a doubt in all of our minds, or his, was a pleasure and a success. The Nobles on the committee made this possible. Many thanks to them.

Now our 42nd Ceremonial, May 20th. A new Temple to invite new novices to join us and relax in, and enjoy with us for future years. Don't hesitate to invite him. Tell him about our Crippled Children's Hospitals and their untiring good work.

Our Uniformed Bodies and committees are preparing a gala day for you. "Enjoy yourself, it may be later than you think."

Sincerely yours in the Faith,

DAVID MAGOWAN
Illustrious Potentate

The Recorder Has This to Say . . .

NOBLES:

The Recorder's office is located in the Masonic Temple building and we in the office extend an invitation to you to drop in on us at your convenience. Many of you have never visited the Recorder's office and I think that each Noble should come in and see how the business of the Temple is conducted.

Ceremonial day is fast approaching so remember these guards of the portals are tough hombres—they speak but one language and that is: **SHOW YOUR 1950 CARD!**

ADMISSION TO TEMPLE. Article XXXII, Section 28: A Noble shall not be admitted to his own or any other Temple of the Order, unless he exhibits to the Temple to which he desires admittance a Shrine card for the current year, printed and issued as provided.

CHANGE OF ADDRESS: Again sincere thanks to the Nobility for keeping us promptly advised of changes of address. Just a card when you move will be appreciated.

AFFILIATIONS. No charge of any kind is made for Nobles affiliating with Al Bedoo from other Temples. All sojourning Nobles in our midst are cordially invited to unite with Al Bedoo.

IMPORTANT. Suspension in your Commandery or Consistory automatically suspends you in the Shrine, though you may have a current card. By all means, keep in good standing in the Mother Blue Lodge and prerequisite bodies.

DUES. Again please be reminded of our full cooperation in sustaining your membership. We desire to help in every way possible. Please call on us.

Once again, my sincere gratitude and may every Noble again visit the Oasis of Billings on May 20 and enjoy the splendid program arranged for the Ceremonial.

Did You Ever Stop to Think . . .

Who makes the works of a big Ceremonial go smoothly? Who makes the arrangements for the hundreds of things that form an important part of the show? Who gets all the stunts ready, trains the men to operate them, and then puts them away after Ceremonial? Who tells the Band what to play, when to play, who gets the music ready for them, puts it away and who takes care of the uniforms? Where did the Patrol learn all those fancy steps? Who taught them? How long did it take? Who sees that they are correctly dressed?

Who arranges for the eats? Who knows how much grub to order, and for how many? Who tells the Potentate when to come in and when to go out? And does the Pote know that everything will be ready when wanted? Who makes our Temple ready for a Ceremonial with everything in its place? Who makes out all the many reports, sees that the notices get on the mailing list, gets his fez, dues card, and then writes up the story for the records and writes those who could not attend?

AND . . . who comes to the Ceremonial all dressed up and expecting a good feed, a good smoke and a rip-roaring time? Now . . . do I ever stop to think just how much work has been done that I may enjoy the show? And who did it?

Cultivating cheerfulness will help to weed out worries.

"One by one The Great All-Father gently lets His seasons fall;

One by one the storm and sunshine cast their shadows over all.

One by one we lose the handgrasp that so warm a welcome gave;

One by one their voices silence in the stillness of the grave.

One by one we miss the faces of the forms we once caressed;

One by one their names are written: Ceased to labor, home, at rest."

The Officers and Nobility of Al Bedoo Temple express their sympathy to the families and friends of the worthy Nobles who have passed through the portals of the "Unseen Temple." We mourn their departure. May they forever live on in our memory.
